## What are cookies?

Cookies are small text files containing information that are stored via your browser on your PC, laptop, tablet or smartphone in temporary storage. This way, our website recognizes this information the next time you visit our website. These cookies cannot cause any damage to your computer, tablet or mobile.

Some cookies (tracking cookies) ensure that you do or do not see certain advertisements from third parties.

Other cookies (analytical cookies) ensure that the statistics of our website are kept up to date, or remember your preferences when using our site, such as the language in which you want to view our site (functional cookies).

Analytical and functional cookies record data that is anonymous and cannot be traced back to a person.

Tracking cookies also follow your IP address to other websites (of third parties), in order to gain a better insight into your preferences in order to be able to offer appropriate advertisements and/or content.

Regio Online Nederland uses the following types of cookies:

### *Functional cookies*

To ensure that the use of the website runs smoothly. Without these cookies, some parts of the website do not work or do not work properly.

### *Analytical cookies*

Google Analytics allows us to see the number of visitors who visit our website and where they come from overall.

### *Tracking cookies*

Regio Online Nederland uses tracking cookies from Google AdSense. They store your IP address in order to be able to show you personalized advertisements and/or content on third-party sites that also use AdSense. The cookies cannot be traced back to you as a person.

## Social Media

All social media channels of Regio Online Nederland each have their own terms and conditions and cookie policy, for which you must give permission to them. Regio Online Nederland has no influence on this, nor is Regio Online Nederland responsible for it.
